

Tiz Gonzalez

Austin, TX, United States | tizmelgoza@gmail.com | tizgonzalez.com

Summary

As a web designer/developer with over 6 years of experience, my objective is to build attractive user-friendly web applications that are accessible for everyone.

- HTML, CSS, Javascript, C#, PHP
- Bootstrap, Wordpress, Squarespace
- Photoshop, Illustrator, Figma, Sketch
- High and low fidelity mockup design
- Responsive design
- User testing
- Accessibility best practices
- Search Engine Optimization
- Node, .NET
- Deadline driven and organized

Work Experience

Web Designer - Notion Bee

Oct 2015 - Present (6 years 11 months+)

- Responsible for web design projects from concept to launch
- Create website layout/user interfaces by using standard HTML/CSS practices
- Maintain and update multiple websites
- Design mockups and wireframes using Sketch and Figma
- Develop creative content through photography and design
- Write testable, and efficient code by using best software development practices

Web Developer II - Texas Commission on Fire Protection

Oct 2018 - Mar 2020 (1 year 6 months)

- Wrote, designed, and edited web page content using HTML, CSS, Javascript, and C#
- Designed and built wireframes and mockups
- Orchestrated user testing and gathered data
- Evaluated code to ensure that it was valid; was properly structured; met industry standards; and was compatible with multiple browsers, devices, or operating systems
- Analyzed Web content for accessibility; and recommended changes to make content accessible and remediated accessibility issues
- Produced in-house video and photography

Freelance Web and Graphic Designer - Latinitas

Jan 2018 - Sep 2018 (9 months)

- Assisted with the development and design of core Latinitas graphics, collateral, and event materials
- Designed and implemented websites, flyers, badges, and certificates for conferences
- Designed social media content such as infographics and banners for upcoming events
- Created the official Latinitas Ecommerce page
